

## Activity Report 17

**Name of the Department/ Society of the Institute:** Department of Microbiology and Biotechnology, Meerut

**Title of the Activity:** Webinar on Molecular Docking Studies and Drug Discovery

**Name of Faculty Coordinator and Team Members:** Dr. Mohd. Asif and Dr. Alka Sagar

**Name of Speaker, Designation and Institution (If Applicable):** Dr. Danish Iqbal, Assistant Professor, Majmaah University, Saudi Arabia

**Date(s) of Activity:** 17-10-2020

**Time and Duration of Activity:** One Day

**Target Audiences:** All faculty members and students of Department

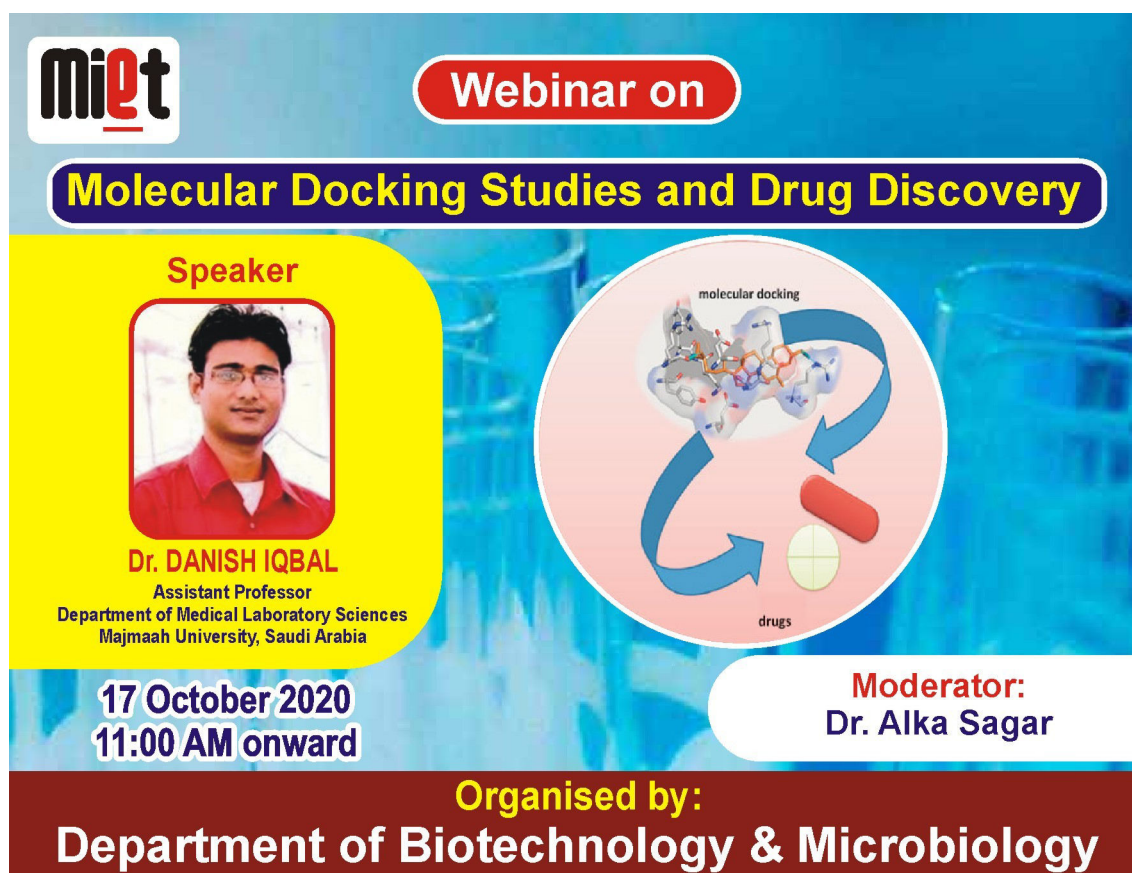

**Number of Attendees:** 38

**Certificate Distributed (Yes/ No):** Yes (to the speaker)

Link of facebook/ You tube recording, If available:

**Few Lines about Objective and Outcomes of the Activity:** To provide an elementary idea to the students and faculty members as well about the advancements in the field of molecular docking and drug discovery

Paste Information Leaflet here (If available):

The poster is for a webinar titled "Molecular Docking Studies and Drug Discovery". It features the MIET logo in the top left corner. The title is prominently displayed in a yellow box with a blue border. Below the title, on the left, is a yellow rounded rectangle containing a portrait of Dr. Danish Iqbal, an Assistant Professor at the Department of Medical Laboratory Sciences, Majmaah University, Saudi Arabia. To the right of the speaker's photo is a circular diagram illustrating the process of molecular docking, showing a molecule fitting into a protein's binding site, with arrows indicating the cycle between the molecule and the protein. Below the speaker's information, the date and time "17 October 2020 11:00 AM onward" are listed. In the bottom right corner, the moderator is identified as Dr. Alka Sagar. The entire poster is set against a background of laboratory glassware and a blue gradient. The bottom of the poster has a dark red banner with the text "Organised by: Department of Biotechnology & Microbiology".
